<u>Weekly Lab Report</u>

1. What did you plan to do last week?
    o   Last week, I planned to finish Tutorial 1 which included
        i.   Flashing the SD card
        ii. Being able to access the pi using a wired connection
        iii. Access the raspberry pi using ssh (wireless)
2. What did you end up doing last week?
    o   I did what I set out to do which was finish Tutorial 1
    o   I did not explore MQTT last week though
    o   I also changed the hostname to kittyslayer instead of raspberrypi.local so I didn't clash rpi's with my roommate
    o   I pushed the required code and screenshots to my github (jackeelam/180DA-WarmUp)
3. What do you plan to do this week?
    o   This week I plan to complete Tutorial 2 and learn more about MQTT
    o   I would like to edit the code given about MQTT to send things other than a regular string or number
        i.   Explore JSON strings and sending python dictionary objects
